

# Diddlebury Village Hall Renewal – Questionnaire 2013

Dear Resident

The 2012 Parish Plan Survey highlighted that the community would like facilities in the Village Hall improved.

Diddlebury Village Hall Committee is therefore proposing a major refurbishment. This will create a more attractive hall, ensuring its future and improving its facilities so that it can offer a wider range of activities and make it more comfortable for people.

The Committee has devised a questionnaire that complements the Parish Plan survey. A few minutes of your time will be a great help in planning the improvements and in gaining access to grants and other funding streams.
